The case was fully heard and taken under advisement.

The commission had Engineer E. T. D. Myers, Jr., of this city, examine the bridges between Norfolk and the Exposition Grounds last December, and on the report of the engineer, the commission has ordered the company to comply, provoked the order.

Answers of the company were read by counsel, and they set out that labor troubles were responsible for the delay.

General Manager Hathaway was the only witness under the questioning of Commissioners Willard and Stuart, he practically admitted that the orders as to certain repairs had been ignored.

## GOT THE MONEY; MADE HIS ESCAPE

Bold Robber Assaults Paymaster, Gets Money and Forces Driver to Hurry Him Away.

NEW YORK, April 20.—A highway robbery, which for audacious boldness has few parallels in this vicinity, was executed in Hoboken, N. J., to-day. The victim was Frank Schreckel, superintendent of Schreckel's Glass Works. The robber struck Schreckel down, secured a package containing \$10,000, which was to be used to pay the men in the glass works, and escaped from several hundred pursuers. To accomplish this he commanded a horse and wagon which chanced to be standing nearby, and with a revolver pointed at the head of the driver, forced him to urge the horse across the city, away from the crowd, at top speed.

TWIN SISTERS TO SKATE.

Feature Act at Horse Show Rink.

The Taylor Twin Sisters, acknowledged to be the champion roller skaters of America, will be the feature attraction at the skating rink all next week. This clever pair of skatorial artists come to Richmond from a tour of the Southern amusement resorts and skating palaces, where they have been the recipients of many flattering press notices.

In Chattanooga, Tenn., where they performed at the Hippodrome, their act was the feature. The Chattanooga Times says:

"The Taylor twin sisters at the Hippodrome made a decided hit last night with their fancy skating and clever work on the rollers. One of the cleverest and most difficult feats performed by them was with sixteen champagne bottles placed about six inches apart, the sisters skating in and out among them with more ease than the average skater operates on an open floor. Another feature, and perhaps the best of the evening, was the musical 'stunt.' In this each of the sisters was armed with a violin, which they played as they skated, starting first with a two-step, then a waltz, and finally ending up with a fast and furious march, they skating in time with the music played by themselves."

In addition to their fancy and trick skating act, the Taylor Twin Sisters hold the records for one-mile and less on many of the best skating rinks in the country. While here will arrange to meet some of the fastest local skaters in contests of one mile or less.

"OLD HOMESTEAD" STILL ATTRACTS BIG HOUSES

The theatrical season would be incomplete without the perennial "Old Homestead," and the two large audiences that greeted it yesterday at the Academy of Music derived as much enjoyment from the play, as from the other grand old play. Denham Thompson has been compelled by advanced age and poor health to retire, but the actor who assumes the role of Uncle John invites a favorable comparison with his predecessor, Horace Rushby, an old minstrel man, made good as Cy Prime, and tickled the audience with the rest of the characters that are familiar household words, were in capable hands.
